Sir:

In response to the Office Communication which was mailed on May 19, 2003, Applicant submits herewith a Response to Office Communication, Amendment, and Submission of Substitute Sequence Listing. The substitute Sequence Listing is submitted in both Computer Readable Form and substitute paper copy which comprises the nucleotide and amino acid sequences contained in the application as filed. Pursuant to 37 C.F.R. § 1.821(f), the sequence listing information recorded in computer readable form is identical to the written sequence listing submitted herewith and no new matter has been added. The sequences contained in the Sequence Listing submitted herewith are identical to those contained in the application as filed.

I hereby certify that this correspondence is being deposited with the United States Postal Service addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on this 19th day of June 2003.
